Projects

BooyaTravel   11/2021 – 12/2021
bit.ly/HerokuBooyaTravel | bit.ly/GitHubBooyaTravel
A collaborative travel itinerary planner, allowing multiple users to plan and communicate via live chat.
- Developed RESTful Express backend with endpoints to retrieve an authorized user's details with an itinerary.
- Created an essential full stack feature giving a user the ability to add itineraries with custom dates.
- Added a much-needed chat feature for multiple users belonging to a particular itinerary to collaborate.

Grace Shopper   11/2021 – 11/2021
bit.ly/HerokuGraceShopper | bit.ly/GitHubGraceShopper
A Udemy-style e-commerce learning platform offering video courses for purchase.
- Implemented a single video course component with backend queries, as well as an add to cart button.
- Built a user profile component, with secure backend routes to ensure it is inaccessible without authorization.

Work Experience

Vista Lake Capital   10/2018 – 07/2021
Senior Investment Analyst   Irvine, CA, USA
- Provided analytical and asset management support on a portfolio of different commercial properties.
